

MOD LODGE SIDBOARD

ELK TALL - W54" X D18.5" X H29"

- kirei
- teke wood veneer laminate
- natural birch interior
- stainless steel
- two adjustable shelves
- soft closing doors

HOW IS IT GREEN?

- Kirei doors are made from the reclaimed stalks of the sorghum plant. The stalks are bonded using a formaldehyde free adhesive.
- The cabinet is constructed with no added formaldehyde adhesive birch plywood that has been certified by the Forest Stewardship Council (FSC), denoting that it comes from well-managed, sustainable forests. This material is finished with a durable low VOC topcoat.
- The real wood veneer laminate is GREENGUARD certified giving assurance that emissions from this material are well within recommendations set by internationally respected public health organizations.
